For Delegations Sent to the Waco Convention.

Dallas, Texas, February 71.—The country republican convention held here to day was a turbulent affair and ended in a split and the sending of contesting delegations to the State convention, to be held at Waco on March 6. Indications multiply foreshadowing a split at Waco and the sending of two sets of delegates to the National convention at Philadelegibla. The March 10: Cooke; Lumsden vs. Monday State of Texas of the group of the provision of the trouble today was the refusal of the country of the provision of the trouble today was the refusal of the country of the provision of the trouble today was the refusal of the country of the provision of the trouble today was the refusal of the country of the provision of the trouble today was the refusal of the country of the provision of the trouble today was the refusal of the country of the provision of the trouble today was the refusal of the country of the provision of the country of the provision of the trouble today was the refusal of the country of the provision of the provision of the country of the provision of direct cause of the trouble today was the direct cause of the trouble today was the refusal of the county executive committee. Lows, Pebruary 17.—Wheat—No. 2 red will solve the proposed of the county executive committee. Delias, 74%, May 21%, 100, 2 haif delegates to elect a chairman of the convention which the delegates constitute. The county committee elected C. W. Staffing, a white man, chairman over A. S. Wells, a negro, by a vote of eight to grow his wells, and the same over A. S. Wells, a negro, by a vote of eight to grow his comment. Steady, 1.806/1.85. Brandt, S refusal of the county executive commit-Finally each side named thirty delegates and alternates to the Waco convention and

The bolters passed a long series of resolutions criticising Postmaster O'Leary Dallas for failing to give negroes post-tions on the letter carrier force. State Chairman E. H. R. Green was in easy call of the warring factions, but failed (if he tried) to pacify the clashing elements. Federal Judge Meek, Revenue Collector Hunt, District Attorney Atwell and Postmaster O Leary were interested spectators.

W. A. Smiley, H. L. Jones, C. R. Scott, Y. N. Jones, A. Travis, J. G. Gathing, Edam Jackson and Frank Robinson. The following was adopted:
Whereas, We, the republicans of Fert
tend county, believing in the ability and Bend county, believing in the ability and integrity of our fellow citizen. H. C. Ferguson, and believing that as a representative he would reflect credit upon the

citizen he would reflect credit upon the party, the district and himself.

Be it resolved by the republicans of Fort Bend county in convention assembled. That the said Henry C. Ferguson be requested and urged to become a candidate for representative in the Texas legislature for the counties of Fort Bend and Waller. And be it further resolved. That we pledge him our hearty and unanimous support in such candidacy for said office. support in such candidacy for said office. Respectfully submitted,

Spencer Graves,
Edam Jackeon,
J. G. Gathings,
J. D. Jones,

Child Burned to Death.

Paris. Texas, February 17 .- A horrible accident occurred late yesterday afternoon a few miles northeast of here: Mrs. William Veasy, a widow, with her children were carrying wood from a thicket; they had bu . a fire to keep them warm; some-how the clothes of a little girl, Ethel, caught fire and before her mother could render assistance her clothes were burned entirely off. She was borribly burned from head to foot and died five hours aftethe accident in great agony.

Mrs. Vensy formerly lived in Houston.

Her husband was in the dairy business.

He died a few years ago in Palestine.

Several members of trains operated under the double-header the family Earely escaped and saved no system as he might become if he were clothing at all. Estimated loss \$35 v; compelled to earn his living as a railway employe, in both motive department and as a trainman. Men who are compelled risk their lives simply because a com train of cars claiming they save 7 cents per mile by so doing, is nothing more or less than an outrage to employes, as well as the public. There are a great many dangers connected with this system of perating trains which can be un-derstood only by those who are directly Passenger connected with same. and United States mails are a great many times delayed unnecessarily by accidents caused by double-headers. One reason for dence of H. L. Wright this evening. The prompt response and effective work of the fire department prevented a very discustrous fire; damage \$409, fully covered by trous fire; damage Stop, fully covered by fire at 1 this that when the locomotives were insurance.

Transon is that when the locomotives were insurance, the pull for service they were constructed to pull for service they were constructed to pull so many care and to run at a certain rate of speed. But when two locomotives a heavy train of couches laden with human freight, crashed into a burnives are coupled together and a trait with human freight, crashed into a burnives are coupled together and a trait of the pull so many care and to run at a certain rate of speed. Attached to these carriers to cover. Their salary is simple this wrock is one. Two ommend that the system be established engines, rushing sloog in the night of a pull so many care and to run at a certain rate of speed; attached to these carriers to cover. Their salary is simple this wrock is one. Two ommend that the system be established engines, rushing sloog in the night of a pull so many care and to run at a certain rate of speed; attached to these carriers to cover. Their salary is simple the night of a pull so many care and a trait with human freight, crashed into a burning the stop of the second of the seco

PLANT ONIONS FOR PROFIT.

the locomotive is no larger or no stronger than it was when these same engines had not half the strain upon them as they not such and every trip. As to the company's saving 7 cents per mile, and that means only the expense of A. R. Way Employ. one train crew, consisting of one conducto and two brakemen. Now it is safe to say Rural Pree Delivery in Hill County. that the damage resulting from this 578 Hillsboro, Texas, Fabruary 16.—George tem to cars and general equipment on each olson of the rural free delivery departto more than the expense of several train spection of carriers' routes around Hittshandled by two locomotives, would amount to more than the expense of several tails or one of the worst wrecks which here. Before an official announcement can ever occurred in the United States was a be made he will have to make a report passenger train on the T. P. and W. railway at Chatsworth, Ill., some years ago.
This train consisted of a heavy train of
coaches and was pulled by two locometives. The loss of tifs was appailing. Now
for a fair example this wreck is one. Two
mmend that the system be established
to the department at Washington and an
answer be returned to Postmaster Beck.
It is known, however, that he is satisfied
with the condition of the roads and upon
this is based the belief that he will recmmend that the system be established.

ment was here today to complete the in-
